Pruning is like *taking action*.

Feeding the soil is like *giving*.

**Watching, waiting and pondering
is like *prayer*.**

After pruning,
giving food and waiting,
the blossom –
the NEW LIFE – will arrive.

After we ACT, GIVE
and PRAY – Jesus
and his NEW LIFE –
will arrive in a new way.

How can we take action during Lent ('give something up' or 'take something up')?

How can we pray more during Lent?

How can we give during Lent?

Matthew 6: 18

**“...your Father who sees all
that is done in secret
will reward you.”**

Amen
