The Gift of Priests and Sisters

In what ways are priests and sisters just like everyone else?

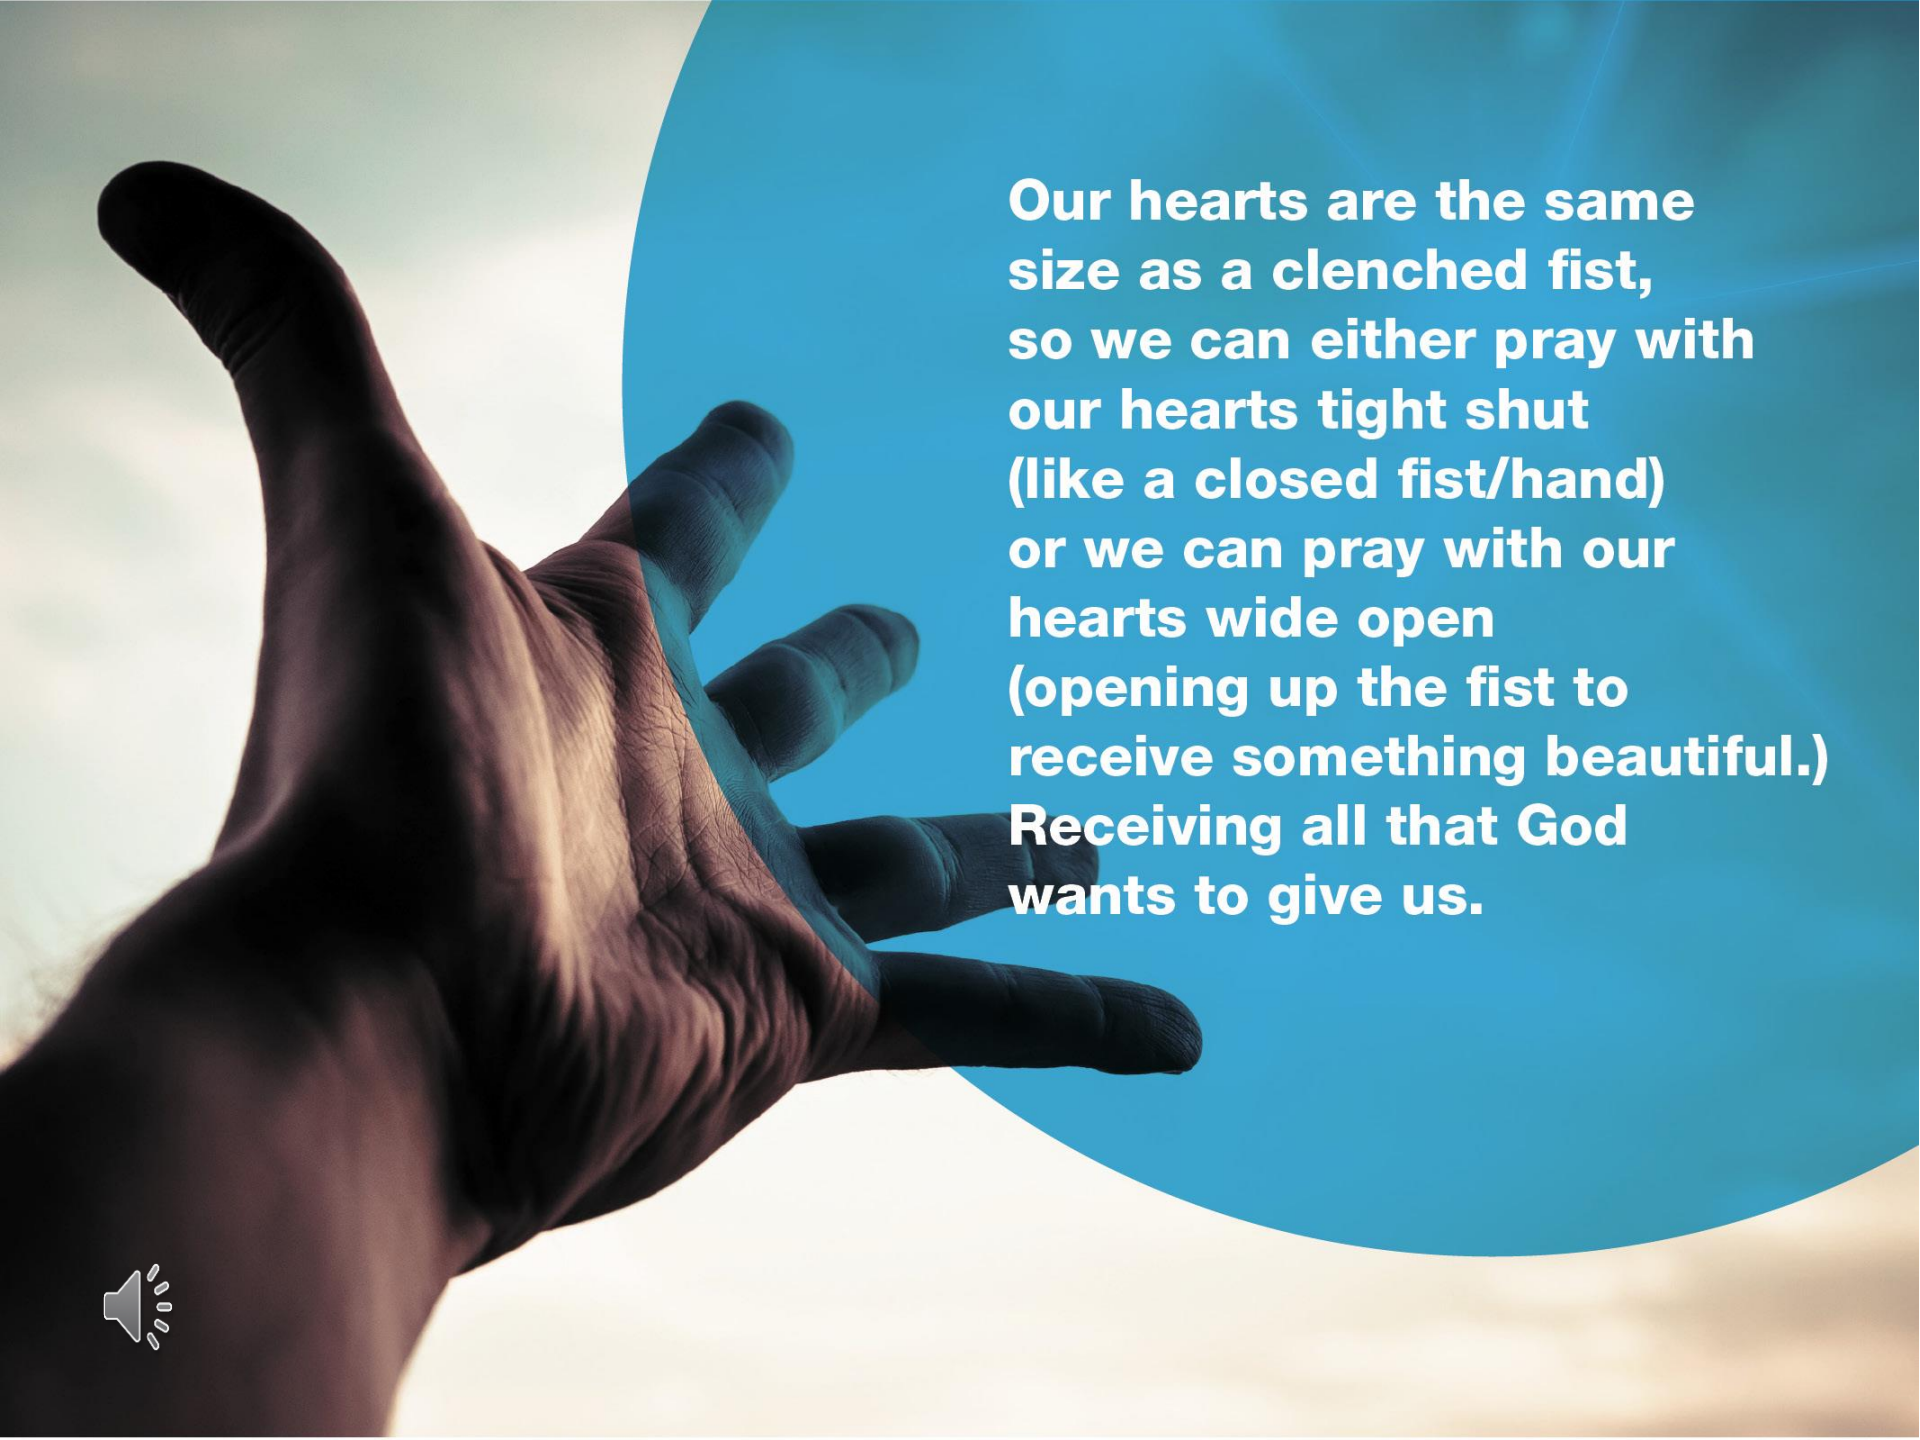

Can you think of some of the reasons that people become a priest or a sister?

What do you think might be difficult about being a priest or sister?

Vocation

Our hearts are the same size as a clenched fist, so we can either pray with our hearts tight shut (like a closed fist/hand) or we can pray with our hearts wide open (opening up the fist to receive something beautiful.) Receiving all that God wants to give us.

A person is holding a white rectangular sign in front of their face. The sign has the words "Thank You!" written in a black, casual, handwritten-style font. The person's hands are visible on the left and right sides of the sign, and their face is blurred in the background. The background is dark, making the white sign stand out.

Thank
You!
