St Thomas of Canterbury School is a *Catholic Voluntary Academy* for girls and boys from age three to eleven in the south of Sheffield. The Governors are seeking to appoint a highly motivated, reflective, and ambitious teacher who is committed to being part of a high performing school. At our school, we fully believe that every child can and will achieve and it is this mind-set that leads to success. The staff here are passionate about their work, think positively all of the time and support each other to ensure that we offer the children the very best every day. Our school culture is built on the principle that teachers must teach like their own life depends on it because our children's lives do depend on this. The school is a national support school and a national teaching school, which means that it is a fast-moving, vibrant and energetic place to work. All members of our team enjoy their work and look forward to coming every single day because of the unique professional culture that we have created; it is a forward thinking workplace with an incredible sense of being part of a family. We can guarantee that you will always hear laughter in our school. Happiness is the key to our success, and we work together to get every member of the team 'in the zone' where actions and beliefs are totally aligned.
