Dear parents/carers/parishioners,

I would like to ask for your support and engagement in two endeavours, both aimed at further developing the wonderful education and environment on offer to our children.

Firstly, if you have a skill or hobby which you would be willing to offer voluntarily for children to access either in the form of a lunchtime or after school club during the next half-term, then please contact Mrs Lambert directly. This could be anything at all that you have a passion or interest in and which you think children would benefit from.

One perfect example is that Miss Hickton is currently looking for a volunteer to support her to launch an infant woodland club on a weekly basis. If you are interested in this, please contact her via e-mail on l.hickton@st-tc.co.uk.

If you are interested in volunteering your time for a lunchtime or after school club, please contact Mrs Maw in the school office on z.maw@st-tc.co.uk

Can you help us during our first ever 'Great Big Spring Clean @ St Thomas' on Tuesday 20th March?

As we enter spring, I would like to take this opportunity to ask for your help to support us to make the school grounds the very best environment possible for our wonderful children. On Tuesday 20th March I would like to invite parents/carers/family members/parishioners to spend some time in the school grounds working with their children to complete some small jobs which will really make a difference visually to the environment in a very short space of time. These jobs will include:

- Planting
- Painting of fences
- Tidying up the school garden
- Clearing the school pond
- Painting the pagoda

If you can offer any time during the school day, then please indicate on the reply slip below. **No amount of time you can offer is too big or too small.**

Anyone volunteering will be provided with tea/coffee and a nice lunch. Furthermore, if you can provide any equipment to support with any of the jobs above, or could provide some plants/flowers which would suit the school environment well, then please also indicate this on the reply slip below.

I hope that this will be a wonderful opportunity to work with your child, and alongside other members of the school community, with the common goal of supporting our children.

Many thanks in advance for your support and engagement in both of these requests.

Yours sincerely,

Mr Colclough
