Termly reports- Friday 13th July

A warm welcome back to school for this week. The children continue to enjoy the wonderful weather, and it is a great opportunity to reflect on the wonderful world that God has given us, and the importance of taking care of it. We also enjoyed our mass last week to celebrate the feast of St Peter and St Paul, and this was a powerful opportunity to reflect on the lessons we can learn from them, and the inspiration we can take from their bravery and commitment to God's work.

On a separate note, can I please thank all the staff, parents and children who were involved in the Year 6 Leavers' evening on Friday; it was a truly aspirational and memorable evening. These are memories that the children will cherish forever.

Termly Reports

2018-2019 Classes

As the school is still finalising staffing, we will be in a position to share with you the name of your child's class teacher for next year. This will be shared ahead of the transition morning on Wednesday. Thank you for your patience.

Missing Uniform

Please could you check your children's school jumpers and PE hoodies, we have several missing items which have children's names. If you find any items not belonging to your child they may be handed to the school office or class teacher.

Do you speak more than one language? Are you able to offer a hand of friendship to people who may be new to our Parish but do not speak English as their first language? Please speak to Fr Gus to let him know if you are able to help and assist with this in any way.

Y5 parents- applying for secondary school

You will have received your letter today for applying for a place in secondary school for your child. The easiest way to do this is online and if you are applying for a Catholic Secondary then they should also complete the Supplementary Information Form (SIF) and any supporting documentation which should be sent directly to the school you are applying for. A member of staff from All Saints will be in our school on Monday 9th July 8:30-9:30 to answer any questions you may have.
