

St Thomas of Canterbury School Newsletter

Week ending Friday 8th March 2024

Dear parents and carers,

It has been another very busy week this week!

In the Gospel on Sunday we heard how Jesus became angry when he saw how his father's house, the temple, was being used as a market. This is one of my favourite Gospel passages as it reminds us that it is human nature to become cross. We used this as a reminder in assembly of the importance of saying sorry and of forgiveness.

The children and staff enjoyed World Book Day yesterday. I know one of the highlights was some of the Y6 children sharing stories with our children in The Hive. The story jars I have seen are fantastic too. Well done.

It was lovely so many of you were able to come to the open afternoons. I know the children were proud to share their work with you. I hope you found them interesting and informative.

We have had two very different trips today: Y5 visited The City Hall to hear a concert by the Halle Orchestra and Y4 visited Church to take part in the Stations of the Cross. The children got a lot from both trips but in very different ways.

On Wednesday of this week, we remembered Libby Hadfield, a talented young teacher at this school who passed away very suddenly 8 years ago. May she rest in peace. Thank you to Mrs Murphy who spent time tidying Libby's memorial.

Have a good weekend everyone. Mums, I hope you are treated especially well on Sunday!
God bless
Mrs Clements

Safeguarding

During our safeguarding audit one of the things they found was that not everyone is aware of who all the members of our School Safeguarding Team are. This information is available on our website and we have attached our information sheet to this newsletter. In case you were not sure, I am our school safeguarding lead and would be the person you would contact with any safeguarding concerns. If you have safeguarding concerns about me, your point of contact would be our Chair of Governors. They can be contacted at chairofgovernors@st-tc.co.uk

Biz Kid's

The results of the 'guess the number of sweets in the jar' are in, and the winner is... Jacob in Y6! The correct number of sweets was 110, and Jacob guessed 111. Enjoy, and don't eat them all at once. Unfortunately, no one chose the teddy's correct name. We will reset and choose a different name and have a roll over at a future fundraising event. Thank you everyone who came to support our Y5 and Y6 children. Our donations are being sent to St Luke's and we'll let you know the grand total when they do.

Parish Events

Please see the attached church newsletter.

Contacting teachers via Email

We have noticed an increasing number of parents/carers are emailing teachers directly. Please can we remind everyone that if you are wanting to contact your child's class teacher, please email enquiries@st-tc.co.uk and the message will be passed on to the class teacher. We ask that you do not email teachers directly to ensure that messages are read in a timely manner. Teachers do not always have time to read their emails in a morning or during the school day and important messages may be missed. This is also for the wellbeing of our teachers as some emails are received outside of school hours.

Parent/Carer Informal workshops

Our Well being mentor, Cathy Byrne, is delivering 3 short workshops for parents on the themes of anxiety, anger and self esteem. They will take place at 2:30pm and will finish in time for the end of the school day. They are taking place on the following dates;

- Tuesday 12th March
- Tuesday 19th March (Rearranged from 5th)
- Tuesday 26th March

Please book a place by contacting Cathy on wellbeingmentor@st-tc.co.uk or Kate Heaton on k.heaton@st-tc.co.uk.

Use of adult toilets near school office

Due to new safeguarding guidance, we will no longer be able to allow parents to use the adult toilets near the school office. The adult toilet in Pre-school may be used in emergencies but only before 9am and after 3:15pm (the school day).

Online Safety Update

Online Safety Update

Online gaming is very popular with children and adults alike and players can play live with people across the world through a range of devices. In-game chat is a feature that many parents worry about, and which can cause anxiety and danger to children.

It is always helpful to discuss with your child how to stay safe online. Set boundaries about what information they can and can't share and what to do if they come across something inappropriate such as bad language. They should know that they can come and talk to you if they feel others are being mean or making them feel uncomfortable online.

Here are some useful resources about in-game chat and specific games.
