

## **Weekly Update From School On COVID Measures- Friday 30<sup>th</sup> April 2021**

Each week we will provide an update to parents about any refinements or adjustments to the measures we have in place in and around school. We hope that this will be useful in terms of keeping you informed and up to date.

### **Items From Home**

Please do not send your child in with items from home that are not absolutely essential for learning. The only things children need to bring aside from their packed lunches, coats, hats, gloves and water bottles are their reading books. Everything else is provided in school. This is one of our protective, infection control measures.

### **Outdoor Play**

Even with all the enhanced measures we have in place, we are still creating opportunities for high quality outdoor play. With this in mind, and as the weather worsens, please remember to send your children with some wellies with their name marked on them after half-term. Please remember to send your child with a hat and gloves as the weather gets colder. When parents in Reception are lining up with children at the beginning of the day, please ensure they do not play on the climbing equipment whilst waiting.

### **Important Reminders**

- 1. Thank you for adhering to the 1 parent on site rule and maintaining social distance from other parents, children and staff.**
- 2. Please note that if your child's class has drop off times of 8.30-8.45, or 8.45-9.00, if you arrive after the latest drop off time, the learning in class will have already started, we appreciate the additional challenges for parents so please try to get your children into class within the time slot so that they do not miss any learning**

### **Y1 Collection Area and KS2 Siblings**

Please note that Y1 parents are now being asked to wait in the collection area which is demarcated by the tyres in the Key Stage 1 yard, and Key Stage 2 siblings will be waiting, and can be collected from, underneath the pagoda. Thank you for your support with this.

### **Google Classroom**

All our Google Classrooms are now fully active and content will be posted each week. In the event of a bubble closing based on advice from PHE (Public Health England), then a full remote timetable will commence the day following the closure.

### **Test Results**

Please inform the school office immediately of any COVID-19 test results. This can be done via e-mail or phone and must be done before your child returns to school following a period of self-isolation.

### **Play Equipment**

Please can we ask parents to avoid letting their children play on the climbing equipment in the Key Stage 1 yard. This is important to ensure that we continue to maintain a quick and regular flow of traffic through the yard, and to minimise touching of equipment in between cleaning.

### **Staggered Starts**

A reminder of the staggered starts is included in the table below. Please remember to use the 8.45 cross-over slot if you are the parent of children in multiple year groups. Please can we also remind parents to continue to maintain social distancing when waiting to enter the school grounds and to around other adults, children and staff. Dropping off children by parking on the yellow zig-zags outside school is to be absolutely avoided from a safety perspective. **Thank you for adhering to the 1 parent on site rule.**

Year Group	Arrival Time	End of Day
Hive	8.45-9.00	Gates open at 3.15pm.
Pre-School	8.45-9.00	
Reception	8.45-9.00	All children can be collected between 3.15 and 3.30pm.
Year 1	8.30-8.45	
Year 2	8.45-9.00	For parents who have children in Reception, Y1 or Y2 and older children in Key Stage 2, we would encourage you to collect at 3.15pm as Key Stage 2 siblings will be waiting for collection in the Key Stage 1 playground from 3.15pm.
Year 3	8.30-8.45	
Year 4	8.45-9.00	
Year 5	8.30-8.45	
Year 6	8.45-9.00	

We have begun calling the classes one at a time so that as they enter the school premises, we can maintain social distancing between bubbles. We will call them in the following order:

8.30-8.45: Y1, then Y3, then Y5

8.45-9.00: Reception, then Y2, then Y4, then Y6

**Pre-school gates will be opened at 8.30 to allow parents to wait in the designated area, and the staff will welcome the children in from 8.45am.**

### **Handwashing**

This is an absolutely critical part of the measures we have in place, with children washing their hands with soap and water between 3 and 5 times per day. In addition to this, we will be using sanitising foam on some occasions during the school day. Therefore, if your child has sensitive hands and you wish them to use their own hand sanitiser, please send this with them to school.

### **COVID Attendance Guidance For Parents**

Please see a useful table on the next two pages which will support you as parents around when to access tests/when to self-isolate.
