Dear parents/carers,

As you are aware, the Year Five class will be going on their residential to Eyam next year.

The residential will include a visit to Magpie Mine and Ashford in the Water, areas associated with lead mining, an industry which features heavily in the history of Eyam.

Opportunities to sketch and try some clay work, as well as the visit to 'The Painted Plate', will ensure that the topic includes plenty of scope for creativity.

Evening activities depend on the weather but may include a night walk, a ghost hunt, quizzes and study in the classroom.

The dates for the visit are from Wednesday 27th June to Friday 29th June 2018. We will be travelling there and back by coach, returning to school at approximately 3.00pm on the Friday.

The total cost of the trip, which includes coach travel, 2 nights' accommodation, meals, the village tour and a mug from 'The Painted Plate', is £125.00. We are trying to move to a cashless office, we have added the trip to parentpay where you can make instalments or pay as one lump sum. The permission for your child to attend is also via Parentpay by ticking the declaration box. If you are having any difficulties using parentpay please speak to the school office.

The Pupil Premium is additional funding paid to schools in respect of disadvantaged pupils. This includes pupils who have been registered for free school meals (FSM) at any point in the last six years, or who have been adopted, looked after by the Local Authority for more than six months, or who are under a guardianship or residence order. If this relates to you and you would like to access funding towards the cost of this residential, please contact the school office.

Enclosed is all the legal documentation which requires a signature and a list of items to take.

We are very excited about the trip, as are the children!

Yours sincerely,

Mr Richardson (Year 5 Teacher), L. Colclough (Head of School)
